

Dr. Aiko Hormann

Dr. Aiko's background as a research scientist in the brain and artificial intelligence for the Pentagon has given her a unique perspective on healing. I first heard about Dr. Aiko 3 years ago from my Pastor, Michael Badger. He said he had not seen so many miracles in a single meeting. What makes her ministry so effective is that she doesn't end with inner healing and deliverance but after removing these "log jams" of the Soul she flows with the Spirit right into physical healings and miracles. In recent healing seminars she has seen the Lord heal many brain dysfunctions, including schizophrenia, bi-polar, dyslexia and severe brain injuries from accidents. Other areas of focus are: re-creative miracles, relationship issues, blockages to finances, PTSD, addictions and intimacy with God.

Her teaching on the "tools of the Spirit" is a must for prayer counselors, pastors, therapists and intercessors.

Now 78 years young the Lord has directed Dr. Aiko to document scientifically the healing power of God. Dr. Aiko has appeared on the 700 Club, TBN and Day Star. See these interviews on her web site. Dr Aiko recommends you read some of her work-books before the conference, to familiarize yourself with these accelerated Biblical healing prayers.

Testimony

Those of us who minister to broken people know that we need all the grace we can get. When someone comes along who has a breakthrough revelation into relieving suffering, we are quick to share it.

As a physician & psychiatrist I have been profoundly impressed by Dr. Aiko's prophetic insight into the workings of the Spirit, Soul, and Body. I have used many of these healing prayers and "tools of the Spirit" for individuals and groups, but this will be the first time I will see her minister the whole process. Her teachings on the Heavenly Perspective and healing of the 3 Brains, ("The Head, the Heart and the Gut") accelerate healing and the flow the anointing. To get the full benefit from her seminars, Dr Aiko recommends sitting through the whole seminar to remove blockages in the soul. Don't miss this opportunity to see her in person.

-Leeland A.M. Jones MD

Seminar Topics

- Keys of the Kingdom and Fruitful Relationships (intercessory prayer)
